ON-DEMAND TRAINING

Key Features and Benefits

Unlimited Classes

By purchasing our Elite On-Demand Training Package, you will gain access to our entire vault of training videos for 12 months.

Earn Class Certifications

Need to become certified on a specific course? Our Elite On-Demand Training Package allows you to become certified in all aspects of SQL Server and Business Intelligence.

Live Training

Earn free access to all half-day workshops and receive discounts on On-Demand Training specials.

Reporting

Monitor the progress of your students. Track students' progress, assessments scores and completed courses.

Gamification

Compete against the rest of your team. Earn points and badges to track the progress you have made while completing courses.

Class Labs

Take what you've learned and apply it to a real-world example. The class labs give you another opportunity to challenge yourself based on what you learned in the course.
